

Attention!

Beginning Saturday August 3rd

Payday Loans will begin employing a towing service to clear their parking lot during the Farmers Market.

Payday Loans has generously offered parking privileges to AA Hope Group members during the Farmers Market.

It is critical that every car using Payday Loans parking lot prominently display a yellow envelope otherwise you are liable to have your car towed away. It is your responsibility to get and display a yellow envelope in a way that the tow truck driver will leave your car alone.

The necessary yellow envelopes are on the table next to the coffee bar.
